Sermon Title: “Risen to Redeem!”
Sermon By: Chris Rogers

1. V 36: Peace. How does this truth impact your joy? How does it shape your view of both societal and personal “storms”?

2. V 44: Prophecy. What impact does prophecy have on your faith? Is it possible we need to study prophecy more as N.T. believers? What impact would that have on our faith?

3. V 45: Spiritual eyesight. In what ways has God recently and powerfully opened your eyes to spiritual truth? If you sense you’re struggling with understanding the Word and what God is doing in your life, what steps can you take to better experience the miracle of divine “eyesight”?

4. V 47: Repentance for forgiveness. We repeat this truth so much that we can become numb to it if not careful. How can you keep the necessity of repentance and the miracle of forgiveness fresh and passionate in your life?

5. V 46-48: Witnesses worldwide. How does your resurrection redemption inspire you to be more sacrificially and passionately engaged in fulfilling your resurrection mission?

6. V 49: Holy Spirit. The resurrection and ascension ushered in the Holy Spirit. In what ways can you better appreciate and capitalize on this “clothing of power from on high”?

7. V 52-53. Great joy and praise. Let’s do it!
